

AUDIBEL

ARIS^{AI}+

Experience the sounds
of being there.

Hear life as it happens.

Hearing your best is
about being there for it all.

And when you have the
clarity to communicate
and the confidence to
participate, there's no limit
to the connections you'll
experience in your world.

That's the power of plus—
Audibel Aris AI+ hearing aids.

Paired with the guidance
of an experienced hearing
care professional, they're
a smart choice for better
hearing and living.

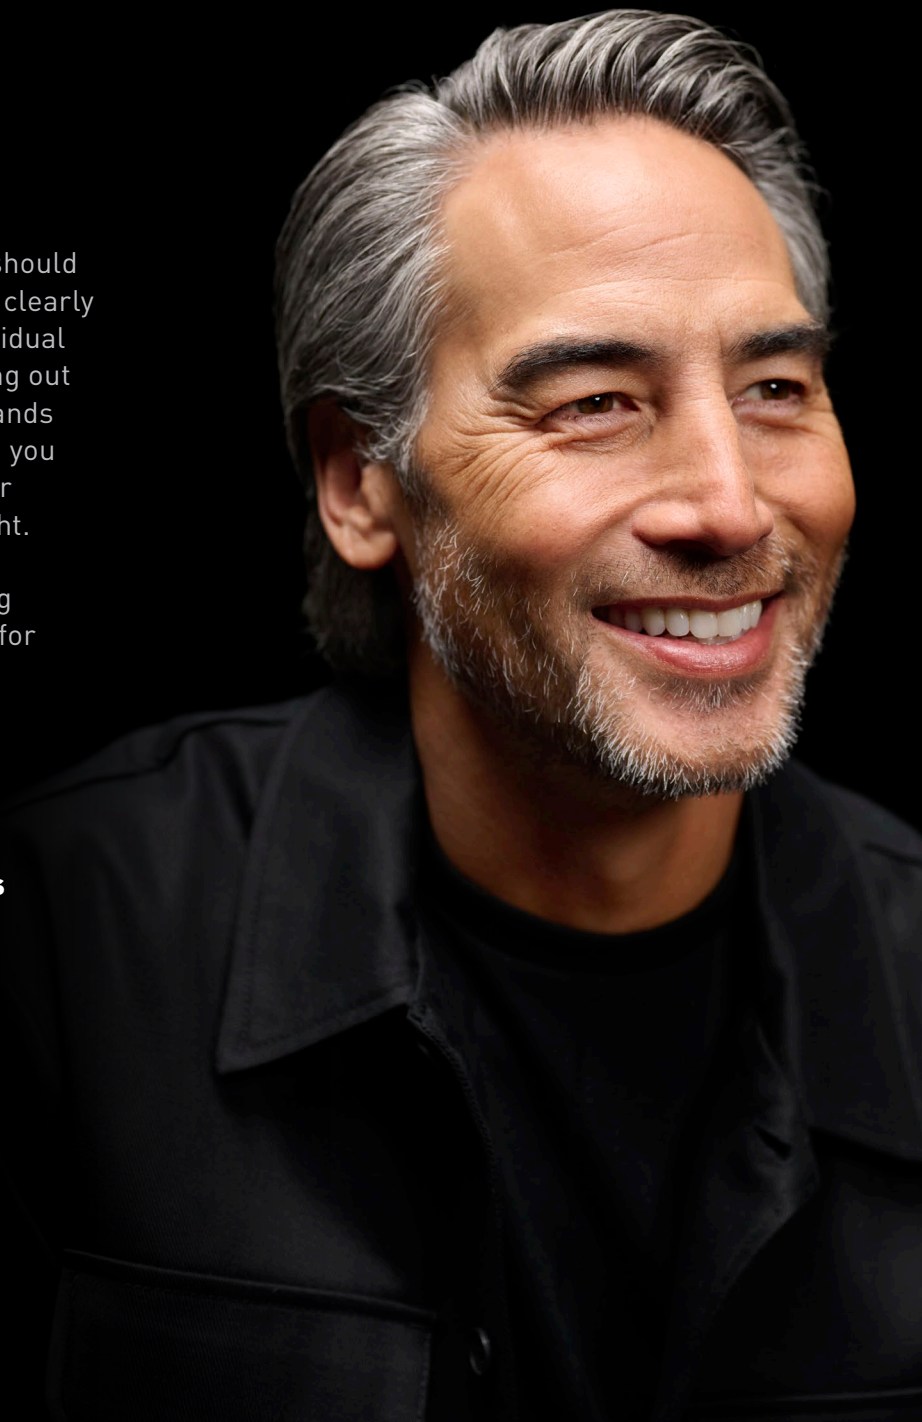

Smart.
Simple.
Seamless.

Better hearing technology should let the sounds of life unfold clearly and intuitively for your individual needs. Whether you're dining out with friends or running errands around town, it should keep you feeling connected—and your hearing loss, an afterthought.

It should be Aris AI+ hearing aids—the automatic choice for better hearing:

- + Distinctive, clear, **authentic sound**
- + Intelligence that **understands** and **adapts** to your hearing situation
- + Designed to enhance speech and **reduce noise**—automatically
- + Edge Mode feature delivers **on-demand clarity** in unexpected listening conditions

Continuous
hearing you
can count on.

Nothing stands in the way of
hearing all day—with Aris AI+
hearing aids.

Choose the modern, discreet style
that suits your lifestyle, then let its
long-lasting comfort, durability,
and battery power do the rest.
Work or play, rain or shine.

+ All-day comfort

+ Waterproof¹
UP TO 1 METER

**+ UP TO
51 hours battery life**

+ Modern design

My Audibel app — enhances listening moments, **plus.**

Tap into greater listening moments, easier everyday living, and better overall health by pairing Aris AI+ with its plus-one—the

My Audibel app:

Hearing control headquarters

Easily change programs, adjust volume, activate Edge Mode and more on your mobile device.

Health and activity tracking

Maintain your wellness by monitoring exercise, social activity, sleep², respiratory rate, and more. My Audibel can even alert others instantly if your Aris AI+ devices detect a fall.

Easy everyday assistance

Stream calls and TV, track lost hearing aids, and request instant adjustments—anywhere.

And now—be notified if your hearing aids aren't with you using the all-new intelligent reminder,

Hearing aids left behind.

Where there's
a connection,
there's a way.

Simply connect to the companion
My Audibel app to enjoy:

Convenient connections

Aris AI+ works with many Apple
products, plus pairs effortlessly
with compatible Android devices
through **Google™ Fast Pair**.

A stream for every scene

Bluetooth® Low
Energy (LE) Audio
enables our
Auracast™ assistant,
allowing clear listening
to public broadcasts
in airports, theaters,
and more.

Solutions for every situation

Now everyone can enjoy LE Audio
streaming with the **all-new StarLink
Edge LE Adapter**—an added way³ to
connect Aris AI+ with your devices.

Being there never sounded so good.

You deserve to be there for it all,
and it all begins with the power
of **plus**—Aris AI+ hearing aids.

Ask your hearing care professional
for a demonstration today.
